catechism stories a teachers pdf

The catechism's question-and-answer format, with a view toward the instruction of children, was a form adopted by the various Protestant confessions almost from the beginning of the Reformation.. Among the first projects of the Reformation was the production of catechisms self-consciously modelled after the older traditions of Cyril of Jerusalem and Augustine.

Jean Gerson's L'ABC des simples gens was an important catechetical work published at the advent of the printing press. Along with Gerson's other catechetical works, it addressed the unique problems of teaching the faith to children. Sixteenth-century Christian humanists considered the reform of catechesis to be a high priority. Bishop of Basel Christoph von Utenheim, in one of the most ...
