"Free Ride" is a song written by Dan Hartman and performed by The Edgar Winter Group. The single, engineered by Jim Reeves, was a top 20 U.S. hit in 1973, hitting number 14 on the Billboard Hot 100 and number 10 on Cash Box. In Canada, it peaked at number eight. The single 45 version is distinctly different from the LP version.

In the social sciences, the free-rider problem occurs when those who benefit from resources, public goods, or services do not pay for them, which results in an underprovision of those goods or services. For example, a free-rider may frequently ask for available parking lots (public goods) from those who have already paid for them, in order to benefit from free parking.
