The Monk's Heavy Load I'll read one last Buddhist story today to bring August and our month of stories in the Buddhist tradition to a close. July we focused on stories Jesus told. Next month we'll begin with a special look at the stories we tell ourselves and interfaith minister Reverend David Iobst will join me to share how the

Cop Story 1 "A Heavy Load"

Heavy Load is a 2008 British documentary film directed by Jerry Rothwell. The documentary tells the story of Heavy Load , a British punk band composed of disabled musicians. The film captures the band over two years, as they record their first album and take their show to bigger venues, [1] and has been described by Mark Kermode as 'a really, really fine music documentary'.

Race to the Klondike by Lester David Robert Henderson had searched for it all his life, all over the world. Now, in 1896, he could hardly believe what he saw shining in the bottom of his miner's pan. Gold! Henderson scrambled back to the nearest settlement in the remote Klondike region of northwest Canada and staked a claim.
