Medieval cuisine includes foods, eating habits, and cooking methods of various European cultures during the Middle Ages, which lasted from the fifth to the fifteenth century. During this period, diets and cooking changed less than they did in the early modern period that followed, when those changes helped lay the foundations for modern European cuisine.

v Introduction There lies in an Oxford library a certain old and jaded manuscript. It is written in medieval Welsh in an informal cursive hand, and is a 15th-century copy of a 12th-century original (now lost). Its shelfmark today is Jesus College MS LXI, but that has not always been its name. For some
