I have documented about 2530 white victims (seriously injured or dead) in my blog series, Violence Crimes: Black on White. In about 25% of the incidents the black male(s) raped his white victim(s) then, after the sexual attack he/they murdered, or attempted to murder, the white female(s). The list below represents only a very partial list of white female victims.

To infiltrate this stygian pit of awfulness, Pam used the same anonymizing service revered by drug dealers and privacy advocates: Tor. If you don't pay much attention to Internet-news, Tor is a free service you can use to try and thwart government surveillance of your online communication -- basically wiping away your tracks. Ironically, Tor was developed with a lot of government help and is ...
