Painting is the practice of applying paint, pigment, color or other medium to a solid surface (support base). The medium is commonly applied to the base with a brush, but other implements, such as knives, sponges, and airbrushes, can be used. The final work is also called a painting. Painting is an important form in the visual arts, bringing in elements such as drawing, gesture (as in gestural ...

Make a pastel drawing out of a photo in AKVIS Sketch. Pastel crayon is a kind of chalk. One usually draws with chalk or pastel on textured paper, but unlike chalk, pastel forms velvety strokes with soft porous edges and looks more intense in color. In this example we will show you how to make a pastel simulation out of a digital photo.
