PETA's blog is your source for up-to-the-minute information about PETA's campaigns; breaking news about victories, new initiatives to help animals, and animal rights information from across the globe; and, occasionally, a bit of inspired silliness. 'Cuz sometimes, having a sense of humor about a tough situation can make all the difference in the world.

Vegetarianism is the practice of abstaining from the consumption of meat (red meat, poultry, seafood, and the flesh of any other animal), and may also include abstention from by-products of animal slaughter.. Vegetarianism may be adopted for various reasons. Many people object to eating meat out of respect for sentient life. Such ethical motivations have been codified under various religious ...
