General principles. In 2003, Patricia Derian, who served as Assistant Secretary of State for Human Rights in the Carter Administration wrote, "Through these U.S. military and intelligence agencies the United States government is sending a dangerous and double message. If this continues, it will subvert our entire human rights policy."

Human rights violations by the CIA - Wikipedia

Foreign market entry modes or participation strategies differ in the degree of risk they present, the control and commitment of resources they require, and the return on investment they promise.. There are two major types of market entry modes: equity and non-equity modes. The non-equity modes category includes export and contractual agreements. The equity modes category includes: joint ...
