war by other means pdf

In War by Other Means, Robert Blackwill and Jennifer Harris build a very persuasive case for why the United States should make much more vigorous use of its economic and financial muscle to advance its geopolitical interests. This book should be required reading for anyone involved in making foreign policy.

War by Other Means | Council on Foreign Relations

In a cogent analysis of why the United States is losing ground as a world power and what it can do to reverse the trend, War by Other Means describes the statecraft of geoeconomics: the use of economic instruments to achieve geopolitical goals. Geoeconomics has long been a lever of America's foreign policy.
