off of dry food! So, roll up your sleeves and be prepared to patiently out-stubborn your cat. (See Molly's story at catinfo.org – Feline Obesity page - for a look at one very stubborn cat.)

Transitioning Feline Dry Food Addicts to Canned Food

The cat (*Felis catus*) is a small carnivorous mammal. It is the only domesticated species in the family Felidae and often referred to as the domestic cat to distinguish it from wild members of the family. The cat is either a house cat, kept as a pet, or a feral cat, freely ranging and avoiding human contact. A house cat is valued by humans for companionship and for its ability to hunt rodents.

The Manx cat (/ ˈ m æ ː k s /, in earlier times often spelled Manks) is a breed of domestic cat (*Felis catus*) originating on the Isle of Man, with a naturally occurring mutation that shortens the tail. Many Manx have a small stub of a tail, but Manx cats are best known as being entirely tailless; this is the most distinguishing characteristic of the breed, along with elongated hind legs and ...

In 1989 engineer and scientist Maurice Cotterell found a way of calculating the duration of long-term magnetic reversals on the Sun. Using this knowledge he was able to break the codes of ancient sun-worshipping civilizations, first the Mayas of Central America, those of Tutankhamun of Egypt, and the Viracochas' of South America, before cracking the codes of the Terracotta Warriors of China ...

Usually I can ferret out bullshit pretty well. Somehow I let myself get suckered into joining my local BNI chapter. Business Networking International is a business networking organization founded by Ivan Misner a well dressed hair hat with all of the usual con-artist plumage.

GrumpyNerd.com » Why BNI Sucks

Distemper is caused by contact with infected saliva, nasal discharge, blood, urine, feces, or fleas that have bitten an infected cat. It can be spread from contact with contaminated dishes, bedding, or equipment, and humans can pass it from one cat to another if hands aren't washed thoroughly after petting an infected cat.
