This article discusses the theoretical relationships between inclusion in education and social justice. It draws on Martha Nussbaum's use of the capability approach is given as one of the few philosophical and political theories that places disability/impairment in the social justice debate.

Inclusion in education: A step towards social justice

A social movement is a type of group action. There is no single consensus definition of a social movement. They are large, sometimes informal, groupings of individuals or organizations which focus on specific political or social issues. In other words, they carry out, resist, or undo a social change. They provide a way of social change from the bottom within nations.

Postmodernism is a broad movement that developed in the mid- to late 20th century across philosophy, the arts, architecture, and criticism and that marked a departure from modernism. The term has also more generally been applied to the historical era following modernity and the tendencies of this era. (In this context, "modern" is not used in the sense of "contemporary", but merely as a name ...
